

Having problems with Heroin and/or Prescription Opioids? Interested in lasting recovery?

Evon Medics LLC, Howard University (HU), Family Medical and Counseling Service Inc (FMCS), Maryland Treatment Centers (MTC) and Clinics of Dr. Chapman are testing whether combining natural products from plants, and a new computer program which you can use at home, will help reduce your drug cravings and withdrawals, prevent drug relapses and help you maintain longer recovery in drug treatment programs.
