

HOW DOES CHILDHOOD ADVERSITY OR HARDSHIP AFFECT OUR WELL-BEING AS ADULTS?

We are looking for adults, 18-45 years old, who experienced or did not experience serious adversities, hardships or trauma during childhood to find out if these experiences have lasting effects on health.

- . Participation is voluntary.
- Even if you agree to participate, you can drop out at any time you choose.
 - . Study duration is 18 months.
